## Compact 6 HD with Speech

Handheld Electronic Magnifier

The Compact 6 HD Speech is more than just another electronic magnifier. With the pocket-sized Compact 6 HD Speech, you can enjoy Speech on the go: just point, capture, and listen.

Incredibly thin at only 14 mm, the 6-inch touchscreen magnifier reads texts aloud, whether it is at your desk, in-store, at home, at school or at the office.

### Speech on the go

Simply focus on towards printed text, take a snapshot and listen as the Compact 6 HD reads it aloud. The pocket-sized Compact 6 HD Speech can capture and recognise text in over 25 languages.

### About the Compact 6 HD Speech

- 6-inch HD touchscreen
- Continuous zoom: up to 21x magnification
- View and magnify text, objects, and photos
- Ready to use instantly: switch-on within 1 second
- High contrast semi-colours for easier reading
- Large display clock function
- Large icon touchscreen button bars
- Easy to hold & moves smoothly over reading materials
- Point, capture, and listen as the text is read aloud
- Highlights the word as it is read aloud
- Displays more words on-screen for maximum overview
